 Juandanielcl77@gmail.com

 +(56)96136 8635

 Osorno, Chile

## PROFESSIONAL SUMMARY

I have extensive experience in analyzing large datasets using statistical techniques and tools such as Microsoft Excel, SQL, and Python.

With over 5 years of experience, I've designed, built, and maintained in-house tools, dashboards, and reports for finance programs, significantly improving accessibility to key business metrics.

This experience has further honed my skills in data science and information technologies.

## SKILLS

- Effective communication skills
- Strong analytical skills
- Spanish Language
- Critical thinking
- Adaptability
- Creativity

## KNOWLEDGE

- Python Data Science
- Machine Learning
- Microsoft Excel
- Web Design
- Power BI
